OFFER DETAILS:

Board kit pricing is available as a **one-time offer** for graduating seniors. Any instruments not listed above are available at regular student pricing. All individual student orders must pay applicable sales tax and shipping charges.

Some schools/classes assign one student to organize a "class order." If the class places an order as a whole and the instruments are shipped directly to the school, American Eagle Instruments will cover all shipping charges. In addition, the student organizing the class order will be awarded (1) free instrument for every (12) purchased.

Orders are payable via Visa, MasterCard, American Express and Discover.
